MARCO

B6214-BRZ

TROY LIGHTING

An elevated globe sconce, Marco combines curved glass and angular metalwork to create a modern, distinctive look for the outdoors. The lantern-style hanging design features a large, clear glass orb suspended from minimalist industrial fittings. Within the shade, a ribbed glass tube conceals the light source while adding a dynamic geometric layered effect. Marco is available in two sizes with Patina Brass or Bronze finish options.
