

ASSEMBLY INSTRUCTIONS

ITEM NO.: FX-3816-4

B → A → E → C → D → Bulb

Use 60Wx4 Max type A BULB (Bulb not included)

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Unfold the fixture arms in place.
4. Thread the fixture loop (B) onto center nipple at top of fixture body (A).
5. Remove the mounting screws (E) and finials (C) from the shade (D). Confirm that the holes on the arm align with the holes on the shade (D). Pass the mounting screws (E) through holes of the arm and the shade (D), securing with finials (C).
6. Referring to the installation instruction with the product for the wiring and installation.
7. Install proper bulbs (NOT provided) to the sockets referring to the marking and/or labels on the fixture for maximum wattage.
8. Restore the power to the installation point ON.
9. Assembly is completed. Retain this sheet for future reference.
