VARENNA

502-34-VGL

CORBETT

Mesmerizing Piastra glass tubes are layered in tiers to create the grand vision of Varenna. A soft, organic reimagining of an Art Deco silhouette, this flush mount comes in three sizes to create focal points in different-sized spaces. The sculpted waves in the specialty glass evoke an ethereal sense of movement while allowing for a more dynamic light diffusion. The close-to-ceiling canopy frames the fixture lik a halo, finished in Vintage Gold Leaf.
