CORBETT

Curved facets and intriguing architectural geometry meet slender metalwork in the Lausanne sconce. The silhouette reads as both minima and indulgent, with a conical shade of natural alabaster diffusing a warm, natural glow when illuminated. A matching alabaster bauble at the base adds ornamental balance on the other end of the Vintage Brass stem.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
