AUGUSTIN

572-01-VB

CORBETT

The jewelry-inspired Augustin sconce channels a high-end maker aesthetic. A slender, translucent alabaster capsule dangles like a pendar from a Vintage Brass backplate. Subtle mid-century geometry informs the silhouette, which includes both clean lines and decorative curves. When illuminated, the alabaster fills with a soft glow that washes the wall, creating an inviting presence in bedrooms, living areas, and hallways.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
