ALSEN

1966-WP

HUDSON VALLEY LIGHTING

The Alsen pendant makes a layered, voluminous statement with natural coco shells. Each shell curves outward to add depth to the fixture while highlighting the unique texture of the material. The white plaster finish on the metal chain creates a cohesive color story while the light brings subtle contrast and tonal richness to this coastal pendant.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
