SYLVA

2351-AGB

HUDSON VALLEY LIGHTING

Sylva is an overscale articulating sconce that nods to mid-century design. Anchored by a counterweight-inspired sphere, the composition feels both expressive and utilitarian. The handicraft hemp shade is paired with a rattan-wrapped arm and timeless Aged Brass metal frame for a textural, innovative material story. The swiveling functionality allows light to be directed as needed, bringing functionality to a bedside or reading nook.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
