HUDSON VALLEY LIGHTING

The expressive Spring Valley makes a modern floral statement. Two layers of artful 'petals' are detailed with irregular edges and realistic textured ribbing, giving this chandelier a multi-dimensional feel. As light emanates from the inner champagne cloud seedy glass shade, it enhances the warmth and beauty of the all-over Vintage Gold Leaf finish. For added dimensionality, light radiates from both ends. Available in a small size with 4 lights and a large size with 5 lights.
