BAYBERRY

HUDSON VALLEY LIGHTING

The sprawling Bayberry semi flush mount leans into the modern-organic design trend. Finished in Vintage Gold Leaf, the branch-like arms splay off in different directions to uniformly distribute the shallow glass shades at close-to-ceiling range. The soft curves of the metalwork and its joints are complemented by the scalloped contour of the cloud glass shades. Available with 6 or 12 lights, Bayberry leaves an artful impression in an entryway or dining room.
