# BERN

8728-VB

HUDSON VALLEY LIGHTING

The streamlined, disc-shaped form of Bern gives this flush mount a distinctly futuristic feel. The shade's minimalist design is enhanced by perforated details that draw the eye. As light filters through the perforations, it creates a starry effect that is particularly striking against the deep finishes. Available in two sizes with a Vintage Brass finish or a Vintage Brass and Bronze combination.

## FINISHES

VINTAGE BRASS

## DIMENSIONS / SPECS
