GANSEVOORT

L5119-GB

HUDSON VALLEY LIGHTING

Inspired by the shape of incense sticks, the Gansevoort family turns three intersecting stems into an artful geometric composition. A Gradient Brass finish creates the illusion of illumination toward the tips, transitioning from the darker tones below to a warm golden glow. Simple square backplates and bases ground the expressive silhouette with clean geometry. Available as a wall sconce and floor lamp, eacl in two sizes.
