METAL NO.1

MDS900-ADB

HUDSON VALLEY LIGHTING

Leaning into heritage aesthetics, Metal No. 1 by Mark D. Sikes reimagines a large RLM-style steel pendant with warm, mixed-metal finishes. The Aged Brass and Distressed Bronze combination creates a layered, antiqued effect, while an oversized circular loop chain add a decorative geometric suspension. Ball-tipped pins at the top introduce a machined detail, and the large glass oculus below is finished with a central finial.
