

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Insert the pin on the glass (B) obliquely into the small hole of the fixture body (A) and bend it as shown in the diagram. Insert the bottom of the glass (B) obliquely into the slot. Repeat process for remaining glass (B).
4. Refer to the additional installation instructions included with the product for wiring and installation.
5. Install proper bulb (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
6. Restore the power to the installation point and retain this sheet for future reference.
