GULLIVER

B1416-PBR

TROY LIGHTING

Inspired by vintage Italian designs, the Gulliver sconce combines functionality with refined shaping. Elongated and gently tapered, the clear etched glass shade straddles the line between familiarity and futurism. Counterbalancing the softness, the socket cup has a mechanically knurled detail that gives Gulliver an edge. Finished in Patina Brass, the exaggerated J-arm mirrors the curvature of the shade completing the fixture with a sense of continuity.
