MIDVALE

B1912-PBR

TROY LIGHTING

A straightforward conical shade is complemented by a similarly shaped canopy or backplate. The hard lines of the cones are broken up b graceful linked metalwork that draws the eye and makes the fixture feel unique. Both the pendant and wall sconce are lit from within by a single small bulb for a beautiful, soft lighting effect. The familiar silhouette and gorgeous warm tones of the Patina Brass make Midvale feel comfortable in just about any interior.
