JACIK

B2111-VGL

TROY LIGHTING

Translucent square glass panels layer around Jacik's cascading drum silhouette, forming a striking, dimensional composition. Each piece is individually handcrafted and secured with dainty metal pins, supporting the glass like fine jewelry. Jacik is available as a 2-light wall sconce and a 6- or 8-light chandelier, with finish options including Patina Gold Leaf with bronze candy glass, or Vintage Gold Leaf with clear candy glass.
